

THE NEXT GENERATION ENERGY PERFORMANCE CERTIFICATES CONFERENCE EPBD RECAST EDITION

23 MAY 2024 Mundo Madou, Brussels and online

These projects have received funding from the European Union's Horizon 2020 programme.

AGENDA (draft)

09:00 Registrations, welcome coffee, networking

Part 1: Common context

Moderator 1: Andrei Vladimir Litiu, EPB Center

09:30 Welcome

09:35 Global context, EU policy context, EPBD recast

09:45 Horizon 2020 / Horizon Europe / LIFE relevant actions and results

09:55 Energy Performance Certification & Certificates: what's missing?

10:05 Quick introduction and perspectives

10:25 Buffer - Coffee break

Moderator

DG ENER.B3 representative (tbc)

Sylvain Robert, CINEA

Hélène Sibileau, BPIE

4 projects: coordinators

Part 2: Overview of insights and outcomes

Moderator 2: Alice Corovessi, INZEB

10:55 Cross testing EPCs across Europe: Lessons learnt from crossCert

11:10 Overview of insights & outcomes from EPC RECAST

11:25 EUB SuperHub project overview: drivers, needs, applications to serve the next generation EPCs

11:40 Integrating the iBRoad2EPC light version renovation passport with current EPC schemes to boost the decarbonisation of the EU's building stock

11:55 Synthesis of selected key insights from the 4 projects

12:10 Q&A

Norberto Fueyo, University of Zaragoza

Olivier Greslou, CSTB

Andrea Moro, iiSBE Italy

Alexander Deliyannis, Sympraxis

Marianna Papaglastra, Sympraxis

Moderator

12:25 Light lunch

Part 3: Deep dive into the Key Exploitable Results

Moderator 3: Gunnar Grün, Fraunhofer IBP

13:25 Forging links within differing country contexts: iBRoad2EPC's modular approach and adaptable database of renovation advice

13:40 EUB SuperHub CEN Workshop Agreement "A Harmonisation of KPIs for the next generation of EPCs"

13:55 Deep dive into Key Exploitable Result of EPC RECAST

14:10 EPCs in Europe: How Much to Harmonise?

14:25 Q&A, interventions

14:55 Buffer - Coffee break

Peter Mellwig, ifeu

Elena Mocchio, UNI

Sarah Noye, TECNALIA

Prof. Dave Jenkins, HWU

Moderator

Part 4: Third party feedback and views

Moderator 4: Rui Fragoso, ADENE

15:10 From project results to EPBD implementation: The Energy Agencies perspective

15:40 A market look at the recast EPBD implementation: how can the four projects' outcomes help?

16:10 Conclusions and closure

Austrian Energy Agency: Nicole Hartl
CRES (Greece): Andreas Androutsopoulos
ENEA (Italy): Fabio Zanghirella
KAPE (Poland): Karolina Junak

EuroACE: Rémi Collombet
European Builders Confederation (EBC): Spyros Mathioudakis
European Public Real Estate Association (EPRA): Jean-Marie Simon (tbc)

Moderators 1-4

16:25 Networking drinks
